

D.S.B CONSTRUCTION, SIMDEGA

POWER HOUSE COLONY, SIMDEGA

Dist. Simdega (Jharkhand)

Mob. No. 9661282829, 9308777447, 7739324449, 9431713113

Ref. No. 2065C(ii)

Date 12/12/2023

To whom so ever it may concern **(Certificate of Electrical Installation)**

This is to certify that *School Building, Holy Family School Kurdeg*, Mauja- Kurdeg, Plot No. - 623, Khata No. 1/3, ward No. 00, Police station - Kurdeg, District- Simdega has been supervised by Executive Engineer of the concerned Electricity Department- Simdega. We found that whole school building is planned well and related to electrical things have been fulfilled systematically. All the class rooms are fixed with better lights which is good for study. School building also has measures to protect against fire. The workmanship and all the electrical materials (type and grade) have used strictly in accordance with general and detailed specification.

Being an Executive Engineer, after Supervising School Building especially the installation of Electrical System, I propose for the Grant of Reorganization of the Holy Family School Kurdeg.
