(Certificate of Health and Sanitary Condition)

Hereby declare that I have visited *Holy Family English Medium School Kurged, Mauja- Kurdeg, Plot No. - 623, Khata No. 1/3, ward No. 00, Police station - Kurdeg, District- Simdega.*

I find the School Campus and the Surrounding areas are very conducive for the children and the Staff. Each of the several Classes is sufficient for the maximum number of Pupils. The classrooms are spacious, properly ventilated and lighted. The building and surroundings are kept neat and clean. There are sufficient toilets and urinary's in the School for the students and the staff separately which is maintained well. There is sufficient amount of drinking water available at all the floors. There are two deep bore wells as the main sources of water which is tested and found very well.

So I certify that the Sanitary Condition is satisfactory. Hence I recommend Holy Family School for permission and recognition.
